ANNUAL REPORT

TURNING LIVES AROUND.

DEAR FRIENDS,

What an exciting year it has been! 2023 marked 180 Degrees 50th year as a Minnesota non-profit, an incredible milestone for our organization.

We celebrated in style with a festive gala at the Woman's Club of Minneapolis. Surrounded by friends, with congratulatory words from Senator Amy Klobuchar and Mayor Jacob Frey, we paid homage to our humble beginnings while unveiling a bold vision for the next fifty years.

From our start over five decades ago, 180 Degrees has grown to now include eight different shelter and housing programs. With an unwavering commitment to helping people who often face the challenging barriers, our services impacted the lives of over sixteen hundred people this past year.

This year, with your help, we've begun a major transformation of our facilities. With support from the Peter J. King Family Foundation and many donors, renovations were completing at Brittany's Place, expanding services there. With \$2.5 million in state funding, renovations commenced at our St. Cloud Youth Shelter and are scheduled for 2024 for our Clifton Place program.

In March, we entered into an exciting partnership with Beacon Interfaith Housing Collaborative. Our partnership at Great River Landing, a 72-unit residence for men transitioning from prison to the community, doubles our capacity to positively impact the lives of men eager to contribute to their communities and families.

As we reflect on this year of growth and transformation, we extend our deepest thanks to you. Whether you're a first-time or long-standing donor, a dedicated volunteer, or a valued service provider, your support and commitment fuel our mission. Together, we can build a brighter, more inclusive future.

With heartfelt appreciation,

OUR STORY

180 Degrees was founded in 1971 by Robbie Robinson—a man who spent 20 years in and out of the criminal justice system—to help men rebuild their lives after incarceration. Since our founding 50 years ago, 180 Degrees has helped over 15,000 youth and adults break the cycle of trauma created by poverty, racism, mass incarceration, and exploitation.

OUR MISSION

180 Degrees creates safe spaces and services that honor each individual's healing journey.

OUR VISION

Every person can experience hope for the future and reach their full potential.

OUR CORE BELIEFS

1. We recognize racism has a real impact and commit to working to eradicate systemic racism.
2. It is through trauma-informed care, relationships, and community that healing, recovery, and growth are possible.
3. We believe culture is a powerful element in the healing process.
4. We believe physical, mental, and spiritual health contribute to individual well-being.
5. We believe in the power and positive impact of community connectedness for both individuals and organizations.

YOUTH SERVICES

PROGRAM IMPACT

BRITTANY'S PLACE

Opened in 2014 in St. Paul as Minnesota's first and largest emergency shelter for girls ages 10-17 experiencing sex trafficking, Brittany's Place has evolved to offer a full continuum of services for youth of all genders. **98 served via Emergency Shelter, 11 served in Transitional Living. 50% exited to safe, stable housing and 53% improved social connections.**

HOPE HOUSE

The only shelter for youth under 18 west of Highway 100, Hope House, in Chanhassen, meets the needs of southwest metro homeless youth ages 14-19. In partnership with Open Hands Foundation.

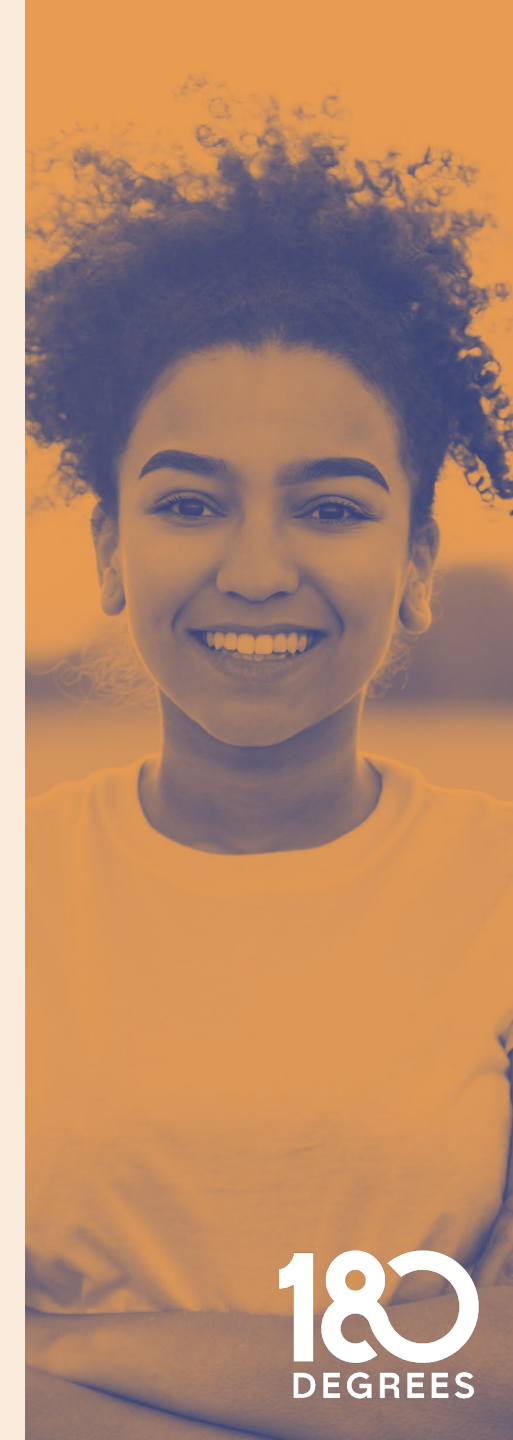

ST. CLOUD YOUTH SHELTER

The only shelter for youth under 18 in central Minnesota, St. Cloud Youth Shelter draws clients from thirteen largely rural counties. Major milestones included kick-off of a phased \$5.1 million renovation for the shelter.

VONWALD YOUTH SHELTER

The only shelter for youth under 18 in southeast Minnesota, VonWald Youth Shelter, in Rochester Township, is the only 24-hour shelter for youth ages 12-19 in a 20-county region of southeast Minnesota

COMMUNITY REENTRY SERVICES

PROGRAM IMPACT

CLIFTON PLACE

Now in its 51st year, Clifton Place provides short-term housing to men rebuilding their lives following incarceration. Through support groups and structured programming, clients secure employment, establish family connections, and exit to stable housing. **260 men received short-term housing at Clifton Place, our flagship program launched in 1973.**

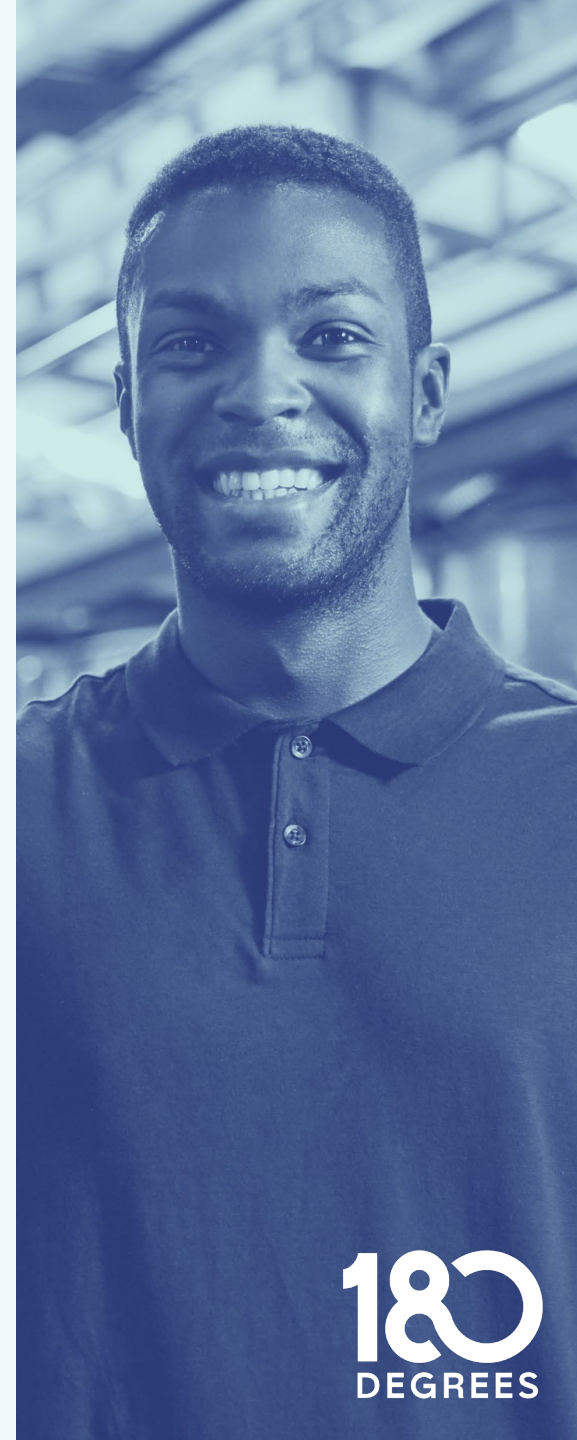

CLIFTON APARTMENTS

Piloted in November 2021, 180 Degrees operated 28 units of affordable housing in Minneapolis. **An additional 40 people were housed at 180 Degrees' deeply affordable residential program at Columbus/Franklin apartments.**

GREAT RIVER LANDING

In March, 2023, 180 Degrees entered into partnership with Beacon Interfaith, the owner/operator of Great River Landing, a 72-unit residence in Minneapolis. Leveraging 50 years' experience with this population, 180 Degrees is the onsite service provider.

Renovations at St. Cloud Youth Shelter continue as Phase 3 of funding begins.

Mario is midway through completing his degree in Heating, Ventilation, & Air Conditioning at Minneapolis Community and Technical College. Excelling in his classes is a point of pride for this man who spent ten years in prison before being released to 180 Degrees' Clifton Place program. Robert's support team at Clifton Place connected him with critical mental health services and ongoing medical care. With foundational services in place, Mario's been able to continue pursuing his dream of completing his vocational training.

Brittany's Place is proof that lives can turn around. Last spring, in front of a cheering audience, 17-year-old Juni walked across the graduation stage, shook hands with North High School's principal and received her diploma.

Amidst the backdrop of COVID, distance learning, and two years of racial unrest, this was a major accomplishment for her entire class. But what few people knew is that Juni graduated while living at Brittany's Place and healing from sex trafficking that began when she was just 10 years old.

Juni will soon move into our new Transitional Living Program as she takes her next steps towards independent living.
