180 DEGREES HOPE HOUSE

IMPACT REPORT.

FY26 JULY 1, 2025 – JUNE 30, 2026

ABOUT

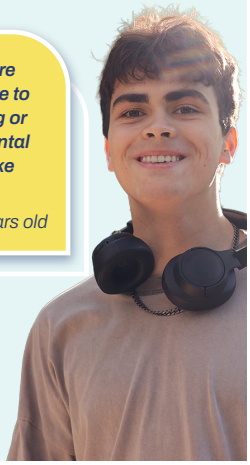
Since 2016, Hope House has served the West Metro, providing safety, emergency shelter, and support to homeless youth.

Supportive staff provide shelter, meals, mental health services, family reconnection, and recreational activities for youth lacking a safe home or experiencing homelessness or family crisis.

ZANDER KNOCKED ON HOPE HOUSE'S DOOR AND HIS LIFE CHANGED.

Family conflict had driven Zander, age 16, from his home, and he came to Hope House with nowhere else to go.

> *"At Hope House, there was always someone to help me with cooking or homework or my mental health. It really felt like home."*
>
> *– Zander, 16 years old*



Zander came to Hope House on his own, hoping to find a safe place to spend the night—what he found was so much more. The shelter offered not just a safe place to stay, but stability so he could continue in school, heal from trauma, and learn independent living skills.

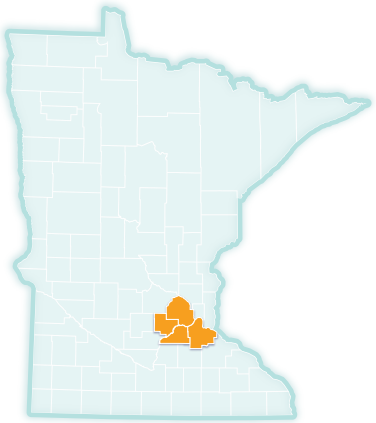
The Heart of the Home

FY26 ACHIEVEMENTS

- **New 5,100-square-foot building broke ground in Fall 2025 and opened in Summer 2026,** increasing shelter capacity and providing comfortable, light-filled spaces for youth to begin healing.
- **Launched a groundbreaking evidence-based mental health services model,** Think Kids developed by Massachusetts General Hospital's Department of Psychiatry, to improve trauma services.
- **Strengthened program leadership for Hope House,** adding a new senior management role, Regional Program Manager.

SERVICES AT A GLANCE

- Emergency Shelter with Housing and Basic Needs
- Street Outreach
- Referrals and Crisis Calls
- Individual Case Management
- On-Site Support Groups
- Aftercare for Continued Support



Hope House Service Region

A safe place for youth in crisis, Hope House serves youth in the Twin Cities' southwest metro, including Carter, Dakota, Hennepin, & Scott counties.
